

Roll a Picasso

Get each scout to have an A4 sheet of paper and a thick black felt tip pen. Roll the dice the first number it comes up with draw the shape of the face as large as possible on the paper. The next roll of the dice is for the first eye, they can put this anywhere they want!! Keep rolling the dice and adding the shape that matches the number. After the 7th roll they can add a hair style or even a beard as they want.
Get them to show there creations on their Zoom screens
